5.6 Status of road map & signage

The village map proposal is in the hands of GLC's Richard Old, who paid us a visit on 12 April. He agreed to pursue our suggestion of placing the sign on the LHS of Market Street, just past the Uralla Street junction. The Council will erect our map once approvals are given. He has also offered to replace the present Fire Brigade sign with a new sign that embodies sufficient information to allow other signage at that junction to be removed. He promised to start progress on the project week commencing 20 May.

Meanwhile, Council has refused to add two additional signs in Booral street directing traffic into Eastslope Way and Cove Boulevard (plus Point Circuit, Baromee Way and the Esplanade east). The Council has also refused our request to review safety aspects of traffic movement at the Carrington Road junction with North Arm Cove road.
