Port Stephens Bottlenose Dolphin Census 2024

Do you Love Dolphins?

If yes would you like to help with our census in Port Stephens

Sunday 18th August 2024
11.00am - 12 midday

We are looking for volunteers around Port Stephens to count and observe dolphins, their behavior and photograph them if possible.

*Volunteers can be land based or on the water in a boat.
No experience necessary, just an interest in dolphins.*

We are looking for as many sites around the bay as possible. The census is important as it gives us an insight into the health of the population
